ACCEPTABLE USE POLICY FOR STUDENT INTERNET / NETWORK USE

Internet Use

Access to the Internet is for educational and research purposes. It is the user's responsibility not to initiate access to inappropriate or offensive material. The use of the Internet is a privilege, not a right. Inappropriate use, including any violation of classroom and district rules, is subject to loss of network privileges and other District disciplinary actions.

I agree not to make any online purchases or conduct personal business using my school Internet account, I also agree to abide by the copyright and I understand that the school is not responsible for any copyright violations I may incur.

Network Use

- I recognize the importance of keeping my own password secret, as I will be held accountable for any system abuses and any content found in my school file.
- I will not engage in activities that will hamper others from having access to the network.
- I understand that while working on the network, I can be held responsible for any damage done to the hardware.
- I will not install or delete or alter any software on the computer or network.
- I will respect the trust that has been given to me with this account.

E-mail Use

I understand that the use of e-mail for personal use at the school is not appropriate

I understand that the school will determine the appropriate consequences for misuse.
