

Dr. Linda Uyeda

- MD, CCFP University of British Columbia
- Fraser Health Authority Youth Clinic Physician
- Forensic Psychiatric Hospital Family Physician
- Guest speaker - Doctors of BC PSP Adult and Child Mental Health
- Mental Health and Parenting Educator: myumwelt.ca

After graduating from UBC as a family physician, Dr. Uyeda began her career as a family doctor in Burnaby, BC. Since 2007, she has worked with youth at several Fraser Health Youth Clinics. She is also currently a staff physician at the Forensic Psychiatric Hospital and has recently begun sharing her passion for mental health, attachment theory, parenting and mindfulness in various community settings.
